Experiencing is Enriching

We accelerate your technical **competency development** to meet the changing needs of our energy workforce through experiential learning.

We deliver enriching learning journey through **world-class** facilities and **industry-experienced instructors**.

Our learning facilities complemented with theoretical classes, practical workshops and the Upstream Downstream Training Plant (UDTP) that **simulates real plant scenarios**, provides a safe environment for **experiential learning** to support **innovation of technologies** on **digitalisation** and automation.

HRD Corp Claimable

Please notify your respective HR focal to apply for the grant before joining our training programmes.

Businesses are advised to apply for the grant at least 5 working days before participant(s) attend the training programme. Failure to do so will result in invalid claims to HRD Corp. Claim amounts may vary and is subject to HRD Corp Allowable Cost Matrix calculations.

More programmes will be registered with HRD Corp and will be updated soon.

MBOT Approved Training Provider

INSTEP has been approved by Malaysian Board of Technologist (MBOT) as an **Approved Training Provider (ATP)** to deliver MBOT – certified training programmes **for Continuing Professional Development (CPD) hours** collection system. In MBOT, CPD is essential to renew the certificate of registration for Professional technologist and Certified Trainers only.
